

Sporting Clays Wrap-up – Thanks for your Support!

The Sporting Clays shoot at Wallingford Rod & Gun Club on August 3 had 57 shooters. A little over \$4,000 was generated in support of the Blue Trail Range. The highlight of the shoot was the “Henry Golden Boy Shoot”. Shooters fired one or three “lucky” shots at a target with one each black horizontal and vertical line drawn on the target. At the end of the day, the lucky shooter with his “lucky” shot closest to the center of the two lines took home the Henry Golden Boy rifle donated by the Hunting Heritage Trust. Baron Technology donated the engraving on the rifle. Hosts were the Wallingford Rod & Gun Club who graciously opened up their skeet range, club house, and kitchen for breakfast and lunch to the shooters. www.SaveBlueTrailRange.org appreciates your support!
